

WGC(97)11

Catch Quota at West Greenland, 1997

Having regard to the 1993 Agreement, WGC(93)9,

and to the Addendum to that Agreement, WGC(97)10, and

Taking account of the advised Pre-Fishery Abundance of 196,858 fish, and

Having regard to the fact that in this case the Reserve Quota applies,

The quota for West Greenland in 1997 shall be established at 57 tonnes.
